Project Overview

- Topic : General Insurance System
- Domain : Finance
- Project : Insurance Management System
- The Insurance Management System is a web-based application developed using ASP.NET MVC and SQL Server to manage insurance policies, vehicles, payments, claims and renewals. It automates insurance processes, improves data management and provides an efficient platform for users and administrators.

Purpose:

- Automates insurance operations such as policy management, claims and payments.
- Reduces manual paperwork and improves operational efficiency.
- Provides secure role-based access for Admins and Users.
- Maintains centralized records of users, vehicles, policies and renewals.
- Ensures faster, accurate and reliable insurance service management.

Technology Used:

- **Frontend:** HTML, CSS, Bootstrap, JavaScript
- **Backend:** ASP.NET MVC, C#
- **ORM:** Entity Framework
- **Database:** SQL Server
- **IDE:** Visual Studio 2022

System Modules

Main Modules

- User Management
- Vehicle Management
- Insurance Plan Management
- Policy Management
- Payment Management
- Claim Management
- Renewal Management
- Admin Dashboard

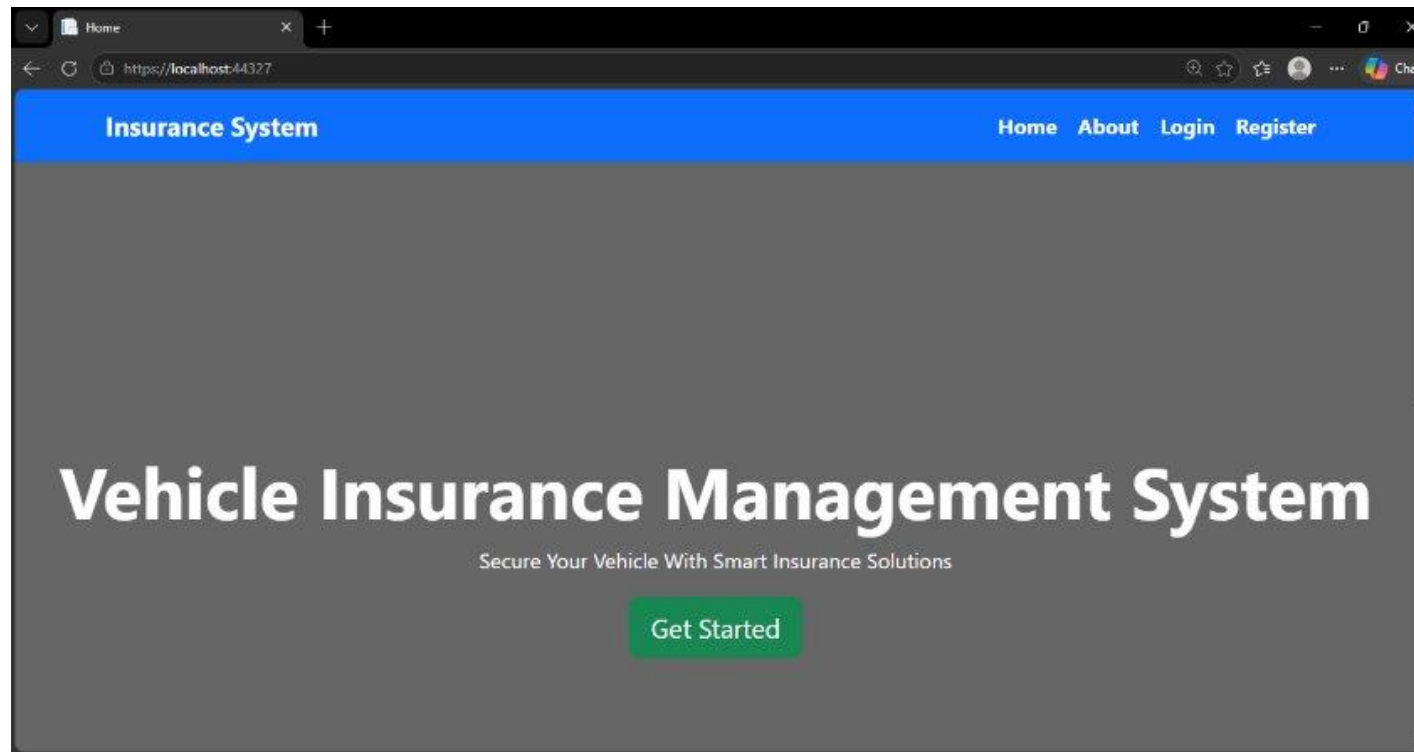

Features:

- **User Registration & Login** – Allows users to create accounts and securely access the system.
- **Admin Approval System** – Enables administrators to approve and manage user accounts.
- **Vehicle Registration** – Stores and manages vehicle details for insurance coverage.
- **Insurance Policy Creation** – Facilitates the creation and management of insurance policies.
- **Online Payment Processing** – Supports secure premium payment transactions.
- **Claim Submission & Approval** – Allows users to submit claims and admins to review and approve them.
- **Policy Renewal** – Simplifies the renewal process for existing insurance policies.
- **Dashboard Reports** – Provides summarized information and statistics for quick monitoring.
- **Secure Role-Based Access** – Ensures separate access rights for Admins and Users.

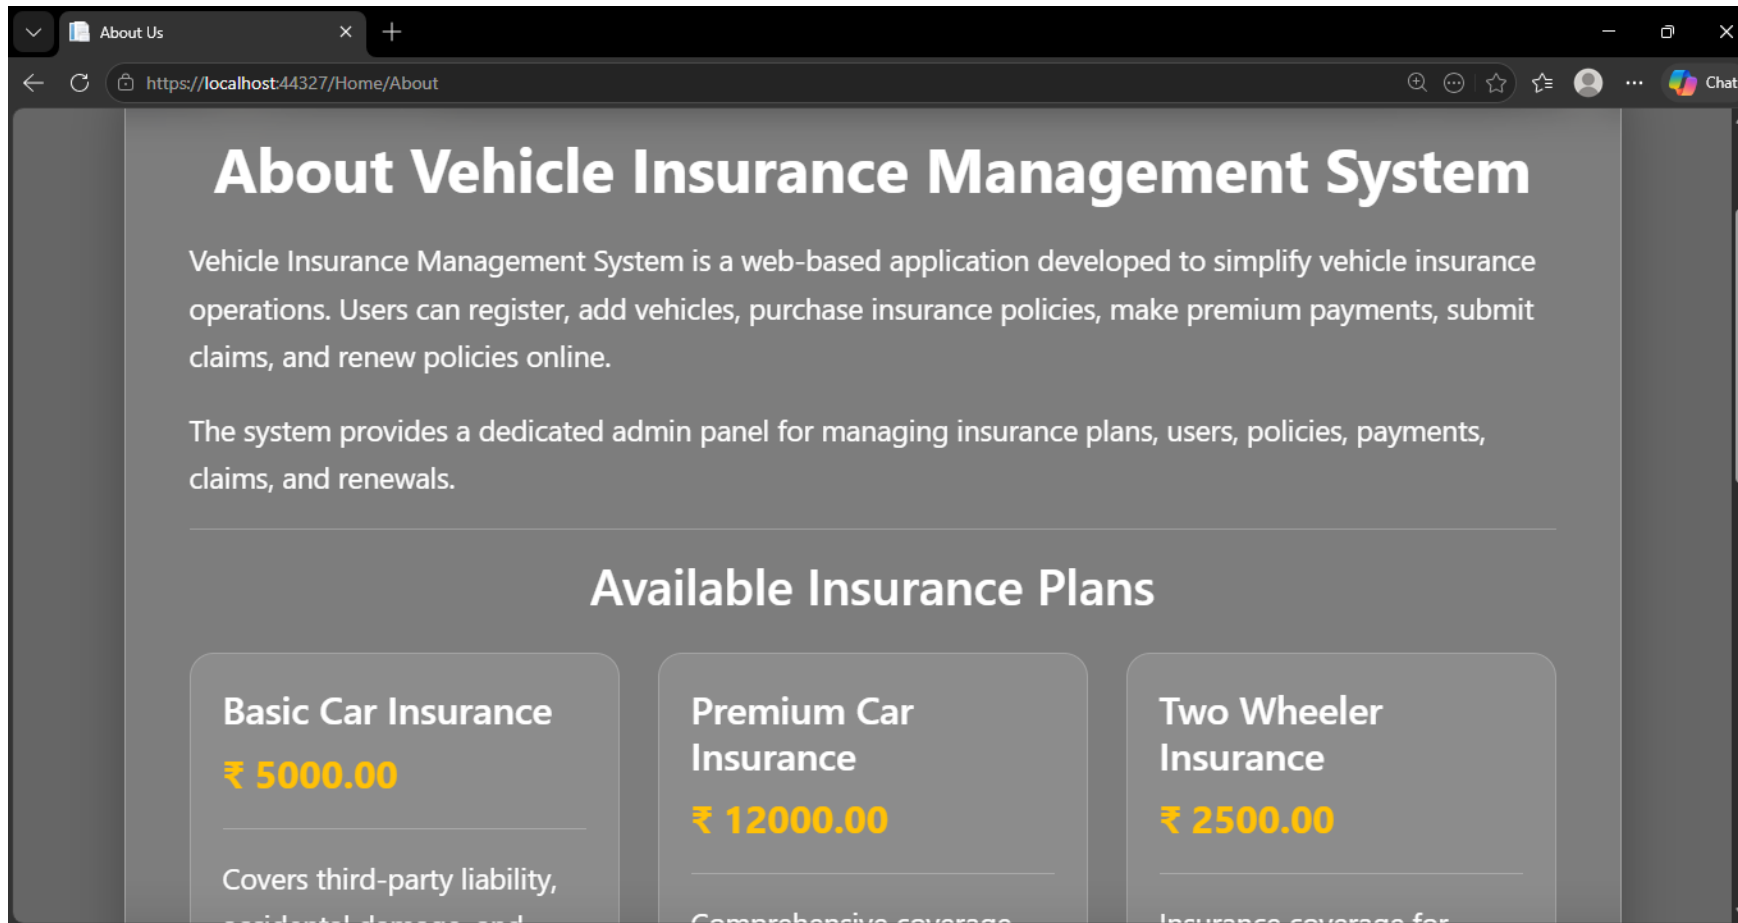

Testing :

- Unit Testing
- Functional Testing
- Database Testing

About Page

Login Page

The screenshot shows a web browser window with a single tab titled "Login". The address bar displays the URL "https://localhost:44327/Account/Login". The browser's toolbar includes back, forward, and refresh buttons, as well as search, star, and chat icons. The main content area features a centered login form with a shield icon and the title "Vehicle Insurance Management System". The form contains two input fields: "Email Address" with a placeholder "Enter Email" and "Password" with a placeholder "Enter Password". Below these fields is a blue "Login" button with a right-pointing arrow icon. At the bottom of the form are two links: "Create New Account" and "Forgot Password?".

User Registration Page:

The image shows a web browser window with a single tab titled "User Registration". The address bar displays the URL "https://localhost:44327/Account/Register". The page content is centered on a light gray background. At the top, there is a header with a user icon and the text "User Registration". Below this, the registration form consists of several input fields: "Full Name" and "Email" are side-by-side; "Password" and "Phone Number" are side-by-side; and "Address" is a larger field below them. Each field has a placeholder text: "Enter Full Name", "Enter Email", "Enter Password", "Enter Phone Number", and "Enter Address". At the bottom of the form is a large green button labeled "Register". Below the button, there is a link that says "Already have an account? Login Here". The browser's address bar and tab are visible at the top, and a "Chat" button is on the right side of the address bar.

Admin Insurance Plans :

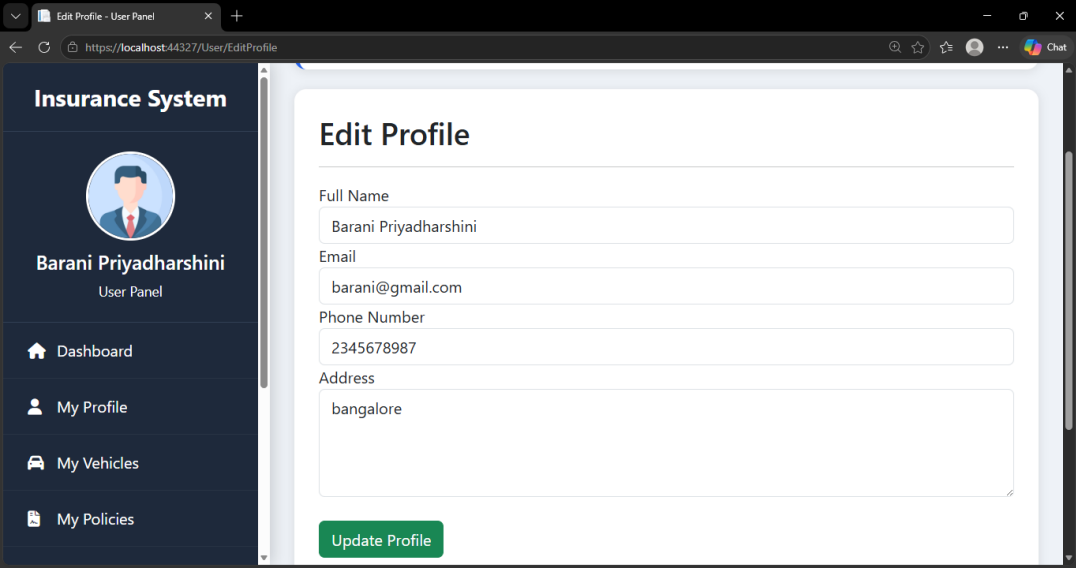

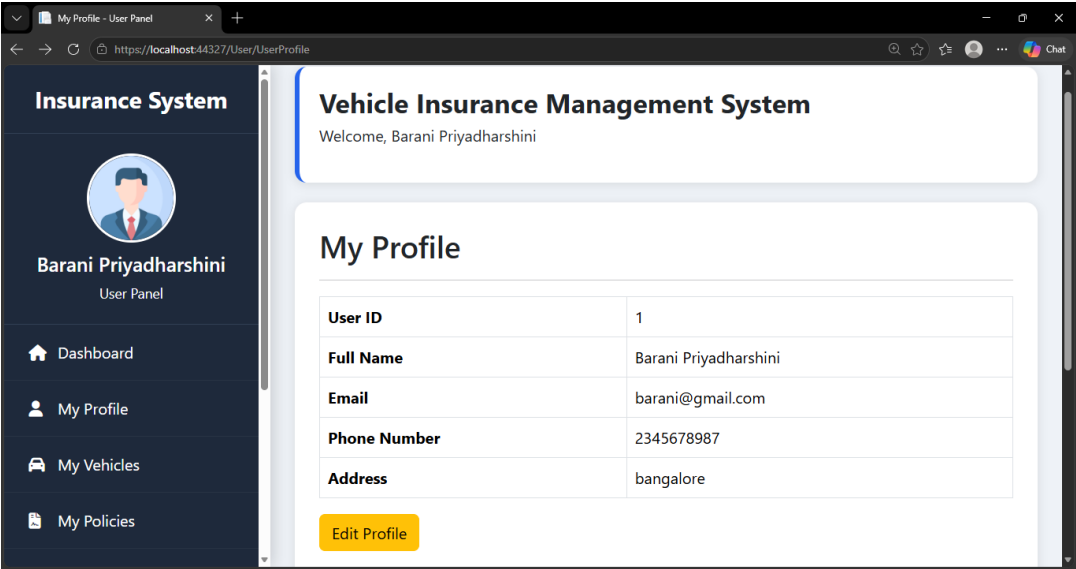

The screenshot displays the 'Insurance Plans - Admin Panel' interface. On the left is a dark sidebar with a blue header 'Admin Panel' and a list of navigation items: Dashboard, Users, Vehicles, Policies, Claims, Payments, Renewals, and Insurance Plans. The main content area is titled 'Insurance Plans' and features a green 'Add New Plan' button. Below this is a table with three columns: Plan ID, Plan Name, Base Premium, and Description. The table lists three insurance plans, each with a set of 'Actions' (Details, Edit, Delete) in the rightmost column.

Plan ID	Plan Name	Base Premium	Description	Actions
1	Basic Car Insurance	₹ 5000.00	Covers third-party liability, accidental damage, and theft protection for private vehicles.	Details Edit Delete
2	Premium Car Insurance	₹ 12000.00	Comprehensive coverage including accident protection, natural disasters, theft, and cashless repairs.	Details Edit Delete
3	Two Wheeler Insurance	₹ 2500.00	Insurance coverage for motorcycles and scooters against accidents, theft, and third-party damages.	Details Edit Delete
